

Hunter Men's Club Weekend Play

Tee Times are generally available in most weekends when tournaments are not scheduled. There are two groups you may participate.

D1 consists of 2-4 groups generally of lower handicaps. They meet fifteen minutes before their first tee time. The times are normally a half hour after the first tee time of the day. Teams are picked by handicap and the format varies week to week. You MUST sign up in the Pro Shop by Tuesday evening prior.

D2 consists of 3-6 groups reflecting higher handicaps. They meet fifteen minutes before their first tee time. The times are normally an hour after the first tee time of the day. Teams are picked by handicap and the format is usually Stableford. You MUST sign up in the Pro Shop by Tuesday evening prior.

Please Note:

If you show up without signing up you will not play.

If you leave a voice mail message at the Pro Shop please call the next day to confirm.

If a Tournament is scheduled for a weekend such as an 18 Hole Medal or Stableford you can play in either of the groups above and participate.

If you plan your own group you must request a tee time these are limited to availability.
